EASTERN IDAHO WORKSHOP AGENDA & REGISTRATION

AMERITEL INN - POCA TELLO, ID
FRIDAY - MARCH 19, 2010

The Eastern Idaho Workshop is pleased to have Stan Hill from 2M come and speak. Stan Hill is the Chief Financial Officer for 2M Company, Inc in Billings Montana. He has a Bachelor's degree in business from the University of Montana and is a graduate of the Pacific Coast Banking School from the University of Washington. Stan comes from a background in banking spanning thirty-six years. Through his career in banking and the private business sector, he has developed an understanding of the many issues facing both large and small businesses.

Stan has conducted numerous seminars to business groups addressing how to effectively manage the daily challenges facing business owners. Stan's expertise comes from the years spent as a Senior Vice President and head of all commercial and Agri lending for a 34-bank banking group. He was also a Bank Manager for another group.

Stan continues to provide private business consulting and serves as a budget counselor for his church. He currently serves as a Commissioner on the Yellowstone County Airport Board and as a member of the Board of Directors for the St John's Retirement Home Foundation Board and their Governance Board. On top of all of his other activities, Stan has conducted numerous accredited business management seminars for the water well industry in Montana, Colorado, and New Mexico. In his off-time, Stan enjoys spending time with his son and daughter and is an avid hunter and fly fisherman.

Stan's presentation will contain what he considers to be essential tools in running your business more effectively. He will discuss financial management, budgeting, and touch on job costing and accounts receivable management. Stan's seminars are always well-received, and typically are standing-room only. The Eastern Idaho Workshop is excited and honored to have him speak, and this presentation will cover a lot of information in the 1.5 hour time frame. Please bring pens and paper to take notes during this valuable presentation.
